INSTRUKCE PRO UPGRADE BIOSU – NOTEBOOK SONY

1. Vložte CD do mechaniky notebooku a zkopírujte soubory na pevný disk notebooku

- 2. Spust'e (double-klikněte) soubor SonyBiosPatch_xxx.exe (případně BiosPatch.exe) a upgrade se spustí
- 3. Pokud jsou splněny všechny podmínky pro upgrade, objeví se toto dialogové okno:

| computer. Do you updates the BIOS? | make sure to go on to carry on t | the operation which |
|---|---|--|
| pop up during ins computer back to be reinstall. We upgrade. | tallation, you have to reverse t its original before the install take no responsibility on any do | the existing BIOS of ation of this softwar amage resulted from 1 |
